

SYNERGX SYSTEMS INC. (NASDAQ SMALL CAP-SYNX) ANNOUNCES CREDIT LINE RENEWAL

SYOSSET, New York – MARCH 10, 2005

Synergx Systems announced that it has agreed to a two year renewal of its credit facilities with Hudson United Bank on comparable terms and conditions. Subject to execution of final documentation, Synergx's new credit facility will run through June 2007.

Chairman and CEO Daniel Tamkin commented "we are delighted to continue our excellent relationship with Hudson United. We now have in place the financing to carry forward with our marketing program for the next couple of years"

Synergx is engaged in the design, manufacture, marketing and service of a variety of data communication products and systems with applications in the fire alarm, life safety, security and communication industries.

"Safe Harbor" statement under the Private Securities Reform Act of 1995: This release contains forward-looking statements, which reflect management's current views of future events and operations. These forward-looking statements are based on assumptions and external factors, including assumptions relating to product pricing, competitive market conditions, financial data, and other risks or uncertainties detailed from time to time in the Company's filings with the Securities and Exchange Commission. These forward-looking statements represent the Company's judgment as of the date of this release and any changes in the assumptions of external factors could produce significantly different results.
