

**SYNERGX SYSTEMS INC. (NASDAQ SMALL CAP-SYNX) ANNOUNCES \$1.6 MILLION
IN NEW PROJECT ORDERS**

SYOSSET, N. Y., September 12, 2003 -- Synergx Systems Inc. announces that it has secured approximately \$1.6 million in new orders including \$800,000 by its Comco Transit Group for on-board communications systems for mass transit systems in St. Louis and Boston and \$850,000 by its Casey Systems Group for commercial life safety systems and subway public address systems.

Management commented that "these new orders are consistent with our growing marketing success across a diverse array of communications segments".

Synergx is engaged in the design, manufacture, marketing and service of a variety of data communication products and systems with applications in the fire alarm, life safety, security and communication industries.

"Safe Harbor" statement under the Private Securities Reform Act of 1995:
This release contains forward-looking statements, which reflect management's current views of future events and operations. These forward-looking statements are based on assumptions and external factors, including assumptions relating to product pricing, competitive market conditions, financial data, and other risks or uncertainties detailed from time to time in the Company's filings with the Securities and Exchange Commission. These forward-looking statements represent the Company's judgment as of the date of this release and any changes in the assumptions of external factors could produce significantly different results.
