

## SYNERGX SYSTEMS INC. ANNOUNCES TRANSIT CONTRACT

SYOSSET, New York - January 22, 2007

Synergx (NASDAQ SMALL CAP-SYNX) announces that its Casey Systems subsidiary has signed the final \$4.5 million components of the previously announced \$5 million contract for design, development and supply of the next generation CCTV and security system for the New York City Transit Authority. This system will be installed at 32 stations identified by the Transit Authority as part of its station security, communication, and upgrade project.

Synergx is engaged in the design, manufacture, marketing and service of a variety of data communication products and systems with applications in the fire alarm, life safety, security and communication industries. For further information about Synergx please go to our website at [WWW.SYNERGXSYSTEMS.COM](http://WWW.SYNERGXSYSTEMS.COM)

"Safe Harbor" statement under the Private Securities Reform Act of 1995: This release contains forward-looking statements, which reflect management's current views of future events and operations. These forward-looking statements are based on assumptions and external factors, including assumptions relating to product pricing, competitive market conditions, financial data, and other risks or uncertainties detailed from time to time in the Company's filings with the Securities and Exchange Commission. These forward-looking statements represent the Company's judgment as of the date of this release and any changes in the assumptions of external factors could produce significantly different results.
