

# **SYNERGX SYSTEMS INC. (NASDAQ SMALL CAP-SYNX) ANNOUNCES COST REDUCTIONS**

SYOSSET, New York – November 17, 2005

Synergx Systems announces that its New York division has effected a personnel reduction which should result in annualized savings of approximately \$650,000 per year. Completing the transition to a new management team, upgrading of management information systems, shifts in the company's business mix and completion of training and integration of recent hires allows the Company to eliminate duplicative personnel.

Management commented: "These changes will allow us to operate on a more efficient and cost-effective basis which is vital in view of the extremely competitive market environment. We will continue to evaluate the effectiveness of all of our resources in order to maximize our return on equity".

“Safe Harbor” statement under the Private Securities Reform Act of 1995: This release contains forward-looking statements, which reflect management’s current views of future events and operations. These forward-looking statements are based on assumptions and external factors, including assumptions relating to product pricing, competitive market conditions, financial data, and other risks or uncertainties detailed from time to time in the Company’s filings with the Securities and Exchange Commission. These forward-looking statements represent the Company’s judgment as of the date of this release and any changes in the assumptions of external factors could produce significantly different results.
