

SYNERGX SYSTEMS INC. ANNOUNCES NEW TRANSIT CONTRACTS

SYOSSET, New York - March 11, 2008

Synergx (NASDAQ SMALL CAP-SYNX) announces that its Casey Systems subsidiary has secured two contracts for an aggregate of approximately \$4.8 million to provide security and data systems to the New York City Transit Authority. Although Management expects these projects to be performed substantially during the next twelve months there can be no assurance that changes in schedules will not be experienced which could impact results in any given period.

Synergx is engaged in the design, manufacture, marketing and service of a variety of data communication products and systems with applications in the fire alarm, life safety, security and communication industries. For further information about Synergx please go to our website at WWW.SYNERGXSYSTEMS.COM

"Safe Harbor" statement under the Private Securities Reform Act of 1995: This release contains forward-looking statements, which reflect management's current views of future events and operations. These forward-looking statements are based on assumptions and external factors, including assumptions relating to product pricing, competitive market conditions, financial data, and other risks or uncertainties detailed from time to time in the Company's filings with the Securities and Exchange Commission. These forward-looking statements represent the Company's judgment as of the date of this release and any changes in the assumptions of external factors could produce significantly different results.
